Spectator Policy

Visiting Team

As of January 2022, Baldwin is unable to host visiting team spectators. We will revisit this policy as conditions improve. Thank you for your understanding!

Student Athletes

Upper School

1. Masks must be worn indoors, in all areas of the Baldwin Athletic Center.
   a. Vaccinated student-athletes may choose to unmask indoors while actively participating in practice or competition.
   b. Unvaccinated student-athletes are required to wear a mask at all times, including while participating in practice or competition.
   c. All student-athletes must wear masks when they are not physically active (e.g., on the team bench, pool deck, observing practice, riding team buses).

2. Distancing and hand-washing/sanitizing protocols remain in place.

Middle School

1. Masks must be worn indoors, in all areas of the Athletic Center.
   a. Given a significant number of our Middle School student-athletes have not yet had the opportunity to be fully vaccinated, masks will continue to be required for all Middle School student-athletes at this time.

2. Distancing and hand-washing/sanitizing protocols remain in place.

3. Masks will continue to be worn on buses at all times.

Locker Rooms

- Please have your student-athletes arrive at our facility dressed for competition.
- Only visiting swim teams will have access to our gray locker room, at the conclusion of the meet.
- Masks must be worn at all times in locker rooms.
